Mr. Collins has visited Colorado Springs and has taken a deep interest in the future welfare of the city.

We [illegible] this morning two petitions signed by prominent citizens of this city and Manitou regarding the county commissioners to improve the road to Bear Creek canon. The time has arrived when a good drive to this beautiful canyon should be opened. Both petitions are worthy of the careful consideration of the board of county commissioners.

The opposition to the confirmation of Mr. [illegible] as associate justice of the supreme court from Illinois appears will not amount to [illegible], as several republican senators have declared themselves in favor of confirming him. Mr. Lamar's [illegible] for the position will not be disposed, but he has been appointed on the ground that he still holds illegally [illegible] the position of state rights. Wool Market

Seaman, Hall & Co., of Chicago in their wool circular of Dec. 6th say that the receipts of wool for the week ending Dec. 4th, as reported were the largest of the season, 2,202,100 pounds for the previous week, and 232,000 pounds for the corresponding week last year.

The shipments for the week were 1,052,000 pounds against 1,250,000 pounds for the previous week and 1,250,000 pounds for corresponding week last year.

Receipts since January 1, 1887 have been 26,268,000 pounds against 16,000,000 pounds for 1886. The shipments for corresponding periods to date have been 1887 20,011,000 pound. 1886 [illegible] pounds.

As was to be expected the trade for the past week has been small and confined almost entirely to small western orders, in amount sufficient to bridge over until after New Year. We look for no increase of trade until after the holiday season is over. Stocks here are moderate in amount. Bright wools are scarce. Prices are unchanged.

There is as yet no appearance of improvement or demand for heavy shrinkage territory or western.

Pelts are steady. The world's supply and a quick sale within the range of quotations. Shearlings and other pelt stock are readily sold at actual value.

The following quotations on Colorado wools are given:

There will be a meeting of the board of county commissioners at the court house today.

The law firm of Campbell & McIntyre has been dissolved, Mr. J. E. McIntyre retiring.

Capt. W. F. Wilder leaves today for Denver on his way to New York, where he will engage in the manufacturing business.

Manager Nye went to Denver yesterday to witness the opening performance of Dixey's "Adonis" at the Tabor Grand last evening.

Yesterday afternoon the Firemen's band in full uniform serenaded several prominent citizens and rendered a number of excellent selections on Tejon street.

The regular annual meeting of the board of trade will be held this evening at the city hall. Officers for the ensuing year will be elected and other important business will be transacted. It is important that as many members as possible should attend.

The union services in connection with the week of prayer began last evening at the Methodist Episcopal church and were conducted by the Rev. P. L. Stanton of the Southern Methodist church. The meeting this evening will be in charge of the Rev. J. S. Black.

The fire department turned out in full force yesterday afternoon. Three attachments were made to the new Cable main plug on the northwest corner of Tejon and Huerfano streets and good streams were thrown. The Bemerton block is provided with ladders and an attachment was made to the water tower at Bemerton block with great success.

On Monday morning a large force of men began the work of constructing the new iron bridge over Shook's run for the Denver, Texas and Fort Worth railroad. The new bridge will be nearly ten feet higher than the one currently used, which will greatly lessen the grade of the road in approaching the east Monument avenue. The new structure will rest about one and will be ready for service in a very short time. Its construction is being superintended by Mr. Shook of the Pueblo Iron Bridge company.

The following are the newly elected officers of Pike's Peak Post No. 19 of Manitou, Commander, Frank Davis; S. V. Commander, A. P. Allen; J. V. Commander, H. G. Cross; Surgeon, A. J. Lewis; officer of the day, G. A. Bell; quartermaster, C. F. Cross; quartermaster sergeant, William Bell; chaplain, C. F. Cross; officer of the guard, W. H. Davis; adjutant, Ben Pearce; assistant adjutant, Jacob E. P. Barnes; sergeant major, William Johnson; delegate to national encampment, W. H. Rogers.

The dinner at the Antlers New Year's evening was very great and on account of the great success by all concerned it is contemplated to have all the guests assemble at the parlor at 6 o'clock p. m. on the 31st inst. Mr. Sayles, the chief of the latter information could be had from all the papers which have been ordered ready for delivery in a few days and that there are sufficient copies on hand to fill all orders which have been given. The postage on a single copy of the New Year's Issue is three cents to any point in the United States and five cents to any foreign place. There are now in the postoffice a large number of copies on which one or two cents only have been paid. The parties sending these can obtain them and add the required amount by making application at the postoffice. Otherwise they will remain in the local office until the parties to whom they are addressed are notified.

At the communion service held at the First Methodist Episcopal church on Sunday morning the pastor presented the following report of the work of the church during the last two months. Received into full membership, 10; received on probation 6; dismissed by letter to withdrawals, 6; net gain in the membership of the church 10. Fourteen members have been transferred to the new church at Colorado City. Mr. Peckham reported 17 conversions during the last month. Held 17 funerals, 2 of which were held in private residences and 15 from the church. Total visits 1,200. The Sunday school numbers 250.

One of the most successful balls of the season was the ninth seven-eighths ball last evening by the Matt France Hose company. The hose company encountered considerable difficulty in preparing the dance assigned them. The hall was appropriately decorated for the occasion. Large festoons of evergreen were suspended across the hall and in the corner of the room were large evergreen horse shoe with "1888" in the middle and seven bells. Appropriate designs worked in evergreen adorned the walls, while a canopy of the Hon. Matt France hung on the south side of the room. In the early part of the evening dancing was then begun and continued with an intermission for supper, until an early hour this morning. Supper was served by Messrs. May & Clark, the proprietors of the Western restaurant on Pike's Peak avenue. Their facilities were taxed to the utmost to supply the crowd, but they fully met the occasion. The tables were tastefully set and presented a very inviting appearance. The bill of fare consisted of oysters in all styles, chicken salad, cold turkey, cold ham, cold meats etc. Messrs May & Clark are experienced caterers and know what and how to provide for such an occasion. The ball was a complete success and the company will realize something in the neighborhood of $225 from the sale of tickets. The affair was in charge of the following committees: Reception—Hon. Matt France, D. A. Russell, W. Saxton, E. Frost, C. H. St. John, S. Hughes, H. T. O'Brien, J. R. Corwin, I. Platt, J. Houle, jr., W. St. John, C. S. Kinney, W. J. Matthews, L. C. Dana, T. F.
